

2026

Slovenj Gradec, Slovenia

Chair:

Bojan Vujkovac

Date:

10 – 12 September 2026

Venue/Location:

Hugo Wolf Museum (all presentations)

General Hospital Slovenj Gradec (workshops)

GENERAL HOSPITAL
SLOVENJ GRADEC

DAY 1 10. 9. 2026

08:30 – 09:00

Registration (Location: Hugo Wolf Museum)

SESSION 1:

INTRODUCTION

Chairs:

Bojan Vujkovic, Sima Canaan-Kühl

09:00 – 09:30

Welcome and School Objectives

Bojan Vujkovic

09:30 – 10:05

Fabry Disease Story: What Have We Learned in the Past 25 Years?

Bojan Vujkovic

10:05 – 10:30

Pathophysiology of Fabry Disease

Gabriela Dostálová

10:30 – 10:50

Q&A and Discussion

10:50 – 11:10

Coffee Break

SESSION 2:

DIAGNOSTICS OF FABRY DISEASE

Part 1:

Basic Diagnostic Methods

Chairs:

Bojan Vujkovic, Katarina Trebušak Podkrajšek

11:10 – 11:35

Genetic Diagnostics and Interpretation

Katarina Trebušak Podkrajšek

11:35 – 11:55

Practical Aspects of Enzymatic Diagnostics

Barbka Repič Lampret

11:55 – 12:20

Update on Biomarkers of Fabry Disease

Patrício Aguiar

12:20 – 12:35

Q&A and Discussion

12:35 – 13:45

Lunch (Hotel Vabo)

Part 2:

Other Diagnostic Methods and New Approaches

Chairs:

Andreja Cokan Vujkovic, Patrício Aguiar

13:45 – 14:10

Screening and Testing for Fabry Disease

Patrício Aguiar

14:10 – 14:30

The Role of Kidney Biopsy

Sima Canaan-Kühl

14:30 – 14:50

Podocyturia in Fabry Disease

Irena Srebotnik Kirbiš

14:50 – 15:05

Q&A and Discussion

SESSION 3:

SPECIFIC GROUPS AND FABRY DISEASE

Chairs:

Bojan Vujkovic, Gabriela Dostálová

15:05 – 15:30

Female Patients with Fabry Disease

Sima Canaan-Kühl

DAY 1 10. 9. 2026

15:30 – 15:55	Children and Adolescents with Fabry Disease Mojca Žerjav Tanšek
15:55 – 16:10	Q&A and Discussion
16:10 – 16:25	Coffee Break
SESSION 4:	INTRODUCTION TO PRACTICAL MANAGEMENT
Chairs:	Bojan Vujkovac, Andreja Cokan Vujkovac
16:25 – 16:45	Patient–Physician Relationship: Our Experience Andreja Cokan Vujkovac
16:45 – 17:05	A Case Manager’s Role in Managing Patients with Fabry Disease Anja Založnik
17:05 – 17:35	Fabry Center in Practice Bojan Vujkovac
17:35 – 17:50	Panel Discussion
17:50 – 18:00	Wrap-up and Close of Day 1 Bojan Vujkovac
18:30 – 22:00	Group Dinner (Gostilna Murko)

DAY 2 11. 9. 2026

08:50 – 09:00	Welcome to Day 2 (Location: General Hospital Slovenj Gradec) Bojan Vujkovac
SESSION 5:	FABRY DISEASE IN DAILY PRACTICE (WORKSHOPS) – PARALLEL SESSIONS
Chairs:	Bojan Vujkovac, Andreja Cokan Vujkovac, Martin Tretjak, Irena Srebotnik Kirbiš
09:00 – 11:00	Workshop 1 – Patient Interview and Infusion Observation
Group lead:	Andreja Cokan Vujkovac
	Workshop 2 – Renal: Podocyturia Assessment
Group lead:	Irena Srebotnik Kirbiš
	Workshop 3 – Cardiac Assessment
Group lead:	Martin Tretjak
	Workshop 4 – Managing Patients with Fabry Disease – FabryCare Demonstration
Group lead:	Sonja Pečolar
11:00 – 11:30	Coffee Break and Proceed to Hugo Wolf Museum

SESSION 6:

TREATMENT OF FABRY DISEASE

Chairs:

Bojan Vujkovac, Patricio Aguiar

11:30 – 11:55

Disease-Specific Therapeutic Options
Bojan Vujkovac

11:55 – 12:15

Adjuvant Therapies
Andreja Cokan Vujkovac

12:15 – 12:35

Managing Arrhythmias in Fabry Disease
Gabriela Dostalova

12:35 – 12:55

Future Treatments
Patricio Aguiar

12:55 – 13:10

Q&A and Discussion

13:10 – 14:20

Lunch

SESSION 7:

CLINICAL MANIFESTATIONS OF FABRY DISEASE

Chairs:

Sima Canaan-Kühl, Bojan Vujkovac

14:20 – 14:45

Nervous System Involvement in Fabry Disease
Suzana Bricman

14:45 – 15:10

Fabry Heart
Gabriela Dostálová

15:10 – 15:35

Fabry Nephropathy
Sima Canaan-Kühl

15:35 – 16:00

PREMs and PROMs in Fabry Disease
Bojan Vujkovac

16:00 – 16:25

Terminal Fabry Disease and Palliative Approach
Andreja Cokan Vujkovac

16:25 – 16:40

Q&A and Discussion

16:40 – 17:00

Coffee Break

SESSION 8:

FABRY QUIZ

Chairs:

Bojan Vujkovac, Andreja Cokan Vujkovac

17:00 – 17:15

Introduction and Objectives
Andreja Cokan Vujkovac

17:15 – 18:00

Fabry Quiz (Interactive Game on Fabry Disease)
Bojan Vujkovac and Andreja Cokan Vujkovac

18:00 – 18:15

Wrap-up and Close of Day 2
Bojan Vujkovac

18:30 – 22:00

Group Dinner (Gostilna Ančka)

DAY 3 12. 9. 2026

09:00 – 09:10

Welcome to Day 3 (Location: Hugo Wolf Museum)
Bojan Vujkovac

SESSION 9:

CASE REPORTS AND DIFFERENTIAL DIAGNOSIS PARTICIPANTS TO PRESENT CASE PRESENTATIONS

Chairs:

Bojan Vujkovac, Andreja Cokan Vujkovac

09:10 – 09:40

**Cases from Clinical Practice
(Diagnostics, Therapy, Management)**
Bojan Vujkovac

09:40 – 11:10

Participant Case Presentations*
TBA

11:10 – 11:50

Discussion: Gaps in Managing Fabry Disease in Our Practice
All participants

11:50 – 12:00

Closing Remarks
Bojan Vujkovac

12:00

Adjourn

12:00 – 13:00

Lunch

* Faculty will prepare the following Case Presentations in case participant Case Presentations are not available or sufficient:

1. **Diagnostic Cases – Fabry or not Fabry** (Andreja Cokan Vujkovac)
2. **Cardiac Cases** (Martin Tretjak)
3. **Fabry Nephropathy – Differential Diagnosis in Patients with Nephropathy** (Bojan Vujkovac)
4. **How to Monitor Patients on Specific Therapy** (Bojan Vujkovac)
5. **Family Planning – Cases from Our Practice** (Bojan Vujkovac)

FACULTY MEMBERS

Prof. Patrício Aguiar, PhD

North Lisbon University Hospital Centre, Lisbon, Portugal

Dr. Suzana Bricman

General Hospital Slovenj Gradec, Slovenia

Dr. Med. Sima Canaan-Kühl

Charité-Universitätsmedizin Berlin, Berlin, Germany

Dr. Andreja Cokan Vujkovic, PhD

General Hospital Slovenj Gradec, Slovenia

Dr. Gabriela Dostálová, PhD

General University Hospital in Prague, Czech Republic

Sonja Pečolar, RN

General Hospital Slovenj Gradec, Slovenia

Assist. Prof. Barbka Repič Lampret, PhD

University Medical Centre Ljubljana, Slovenia

Irena Srebotnik Kirbiš, PhD

Institute of Pathology, Faculty of Medicine at the University of Ljubljana, Slovenia

Prof. Katarina Trebušak Podkrajšek, PhD

Faculty of Medicine at the University of Ljubljana, Slovenia

Dr. Martin Tretjak, PhD

General Hospital Slovenj Gradec, Slovenia

Dr. Bojan Vujkovic

General Hospital Slovenj Gradec, Slovenia

Anja Založnik, MSc in Nursing

General Hospital Slovenj Gradec, Slovenia

Assist. Prof. Mojca Žerjav Tanšek, PhD

University Medical Centre Ljubljana, Slovenia
